

§ 115C-548. Attendance; health and safety regulations.

Each private church school or school of religious charter shall make, and maintain annual attendance and disease immunization records for each pupil enrolled and regularly attending classes. Attendance by a child at any school to which this Part relates and which complies with this Part shall satisfy the requirements of compulsory school attendance so long as the school operates on a regular schedule, excluding reasonable holidays and vacations, during at least nine calendar months of the year. Each school shall be subject to reasonable fire, health and safety inspections by State, county and municipal authorities as required by law.

The Division of Nonpublic Education, Department of Administration, shall ensure that materials are provided to these schools so that they can provide parents and guardians with information about meningococcal meningitis and influenza and their vaccines at the beginning of every school year. This information may be provided electronically or on the Division's Web page. This information shall include the causes, symptoms, and how meningococcal meningitis and influenza are spread and the places where parents and guardians may obtain additional information and vaccinations for their children.

The Division of Nonpublic Education, Department of Administration, shall also ensure that materials are provided to these schools so that they can provide parents and guardians with information about cervical cancer, cervical dysplasia, human papillomavirus, and the vaccines available to prevent these diseases. This information may be provided electronically or on the Division's Web page. This information shall include the causes and symptoms of these diseases, how they are transmitted, how they may be prevented by vaccination, including the benefits and possible side effects of vaccination, and the places where parents and guardians may obtain additional information and vaccinations for their children.

The Division of Nonpublic Education, Department of Administration, shall also ensure that information is available to these schools so that they can provide information annually on the preventable risks for preterm birth in subsequent pregnancies, including induced abortion, smoking, alcohol consumption, the use of illicit drugs, and inadequate prenatal care.

The Division of Nonpublic Education, Department of Administration, shall also ensure that information is available to these schools so that they can provide information on the manner in which a parent may lawfully abandon a newborn baby with a responsible person, in accordance with G.S. 7B-500.
